NOAC Cancellation - A form has been sent out to everyone who signed up to go to NOAC about another event called momentum as an alternative. It will be the same time as Noac but at the summit. If you do not want to go to momentum you can get a refund on NOAC. There will be transportation costs with momentum.

Spring Fellowship - Spring fellowship is still going on but we'll be following social distancing rules. It will affect the way spring fellowship is and we are adjusting the event to follow social distancing. We will have ordeal ceremonies, but we will not have brotherhood ceremonies.

Summer Camps - There will be no ceremonies during summer camps as of right now.

Communications - We need to improve our communications and maybe add more to the communications committee. We are looking for some more ways to reach more people and better ways of communication. send an email if you really want to be active and help out with the communications committee.

Future E-boards - If we have another E-board it has been suggested that we use zoom and wear our uniforms.

E Urner Goodman Award - We have been awarded the E Urner Goodman camping award. Its purpose is to challenge other lodges to promote camping and scouting. It was awarded to us because of all the work we did in 2019.

FOS - It was asked if we would increase our FOS donation and move up from \$6,000. If we up it to \$8,000 we will be giving more than we are bringing in. We are considering bringing it up to \$7,000. We want to make sure that the \$7,000 is going to people who need it, and we want to make sure that some of the money goes to what we want it to go to. To our knowledge FOS goes to running the website and the properties such as camps and buildings. It also goes to fees that get overlooked. A different meeting will be held to finish the discussion and make a decision.
